## **DETAILED ACTION**

### ***Election/Restrictions***

In Response to the Restriction Requirement dated November 08, 2004, Applicant has elected the claims of Group I, claims **1-11**, drawn to a device is acknowledged. Because Applicant did not distinctly and specifically point out the supposed error in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)). Accordingly, claims **12-20** are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 35 § 1.142(b) and MPEP § 821.03. Applicant has the right to file a divisional application covering the subject matter of the non-elected claims **12-20** of the Group II, drawn to a method.

### ***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims **12-20** non-elected without traverse. Accordingly, claims **12-20** have been canceled.

***Allowable Subject Matter***

Claims 1-11 are allowed.

The following is an examiner's statement of reason for allowance: The prior art of record fails to teach or render obvious a semiconductor device as recited in claim 1 comprising, in combination with all other features, the lower part of the second wiring structure has a second width substantially equal to the sum of  $n$  times the first width of the first wiring structure ( $n$  is a positive integer equal to two or more) and  $(n - 1)$  times the first interval.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
